EXPERIENCE

QuickDev Solutions LLC, Richmond, TX- *Full-Stack Web Developer*

01/2025 - PRESENT

Responsibilities:

- dgResumes.com design
- dgResumes.com development
- dgResumes.com template development
- quickdevsolutions.com design and development

Achievements:

dgResumes.com is the current main product for QuickDev Solutions LLC. This product provides an easy way for subscribers to showcase their skills, experience, and portfolio to prospective employers and recruiters.

As part of dgResumes, several templates were also developed.

The parent website, quickdevsolutions.com was also developed and launched.
